The Gracia Plena Prayer Room

<http://www.stewardship.org.uk/partners/20384391>

Having nearly missed out due to an annoying set back with Covid, Faith made it to Lima to compete in her first Peruvian Gymnastics competition. We couldn't be prouder of her. Still feeling a little tired and weak, unsure of what she was walking into and still not having fully grasped Spanish, Faith smashed it! Gold on beam, Silver on floor and 3rd all-round Gymnast! Faith says 'Thank you every one for all your prayers. God heard and answered!'

Prayer Room

What an absolute pleasure it was to help Gracia Plena church set up and run their first 24-7 Prayer room. We were presented with a small, dirty storage room but with the help of some very excited members of the church within a couple of hours the room was transformed into a peaceful place of creative prayer. During the week we had the opportunity to speak to the youth about prayer. Their responses to the prayer room were overwhelming, really sensing God's presence through the creative prayer stations. Testimonies from the week...

'My husband and I planned to spend 15 minutes in the prayer room. One and a half hours later we left!'

'I didn't know that prayer could be so creative and fun.'

The pastor told us that, as a church they were very blessed to have had the prayer room and all had a very special time. Individuals, couples, youth, children and families experience such a beautiful closeness to God. Thank you all for praying.

PRAYER REQUESTS

Prayer for the 2 prayer rooms this month...

1. For leaders of a youth conference (13th-17th Aug)
2. A young people's home (22nd-29th Aug)

Please pray with us for people to encounter the presence of God during these times.

Prayer Walk up the Mountain

A worship song that has really spoken to us whilst living here is 'I Speak Jesus'. It's so relevant to our ministry here in Cusco. At one point we sing...'Shout Jesus from the mountains, Jesus in the streets...'

For this reason when we were asked to lead a prayer walk up the prayer mountain owned by our church we chose to base it on this beautiful song. A wonderful time was had speaking the name of Jesus over strongholds, addictions, fear and anxiety in Cusco. We spoke Jesus over our family and friends and shouted Jesus from the top of the mountain!

Prayer on the Streets

We are continuing to faithfully go out onto the streets building relationships and praying with the street sellers, tour operators and other locals in the centre of Cusco.

God has recently led us to pray with and support several single Dad's who are having family issues and difficulties with access to their children. A lady at our church, who heard about our street prayer ministry, introduce herself to us and offered her services as a qualified Christian family counsellor for the guys we are connecting with. This has already led to one of the Dad's having a couple of meetings with her and he is seeing real progress with how he is coping personally and his family situation.

Prayer for children to experience God's love and peace through a prayer room we are hosting during a huge children's service & for Helen who is preaching on this day. (21st August)
