Come, Join us and witness the wonders of God's Love and care Through your valuable gifts and generosity!

To God be the Glory Always!

IN MISSION

Church Planting & Discipleship Training Program , Lake Zone, Tanzania

Newsletter

July 2022

Grace and peace to you all in Jesus Christ, our Lord and Savior! It is with great pleasure that I am sharing with you the joys of being God's instrument in showing His love and care through our holistic ministries at Lake Region, Tanzania. Our main focus has been sharing the Gospel through words and deeds. Church visibility is seen in a way that we care and love orphans, we build schools, hospitals, offer scholarships and other tangible means to and for the world. Your generous support has helped us to reach thus far. Please read in a very summarized way the impact of your giving and prayers and continue taking part in building God's Kingdom on earth!

Education & Care for Orphans

We are pleased to inform that we are running an English Medium School, presently we have 70 children, from baby Class to Class One. 90% of these children are orphans or coming from families with very low income. The School and the Boarding/housing facility "Alison's House of Hope" is indeed building up the confidence and Hope for better future among the children. We are kindly asking your generous contribution of \$30 per month for each child. Remember that as we "visit the needs of the orphans and widows in their afflictions" we are practicing the true religion pleasing to our good God! We count on you, be the hand of God in action!

Church Construction

The Church in Tanzania faces many challenges when it comes to places of worship. Local communities are trying their best to participate in the process of building improved places of worship, using local available materials and resources. The main challenge is on getting the roofing materials. We have started a ministry called "Roofing for His Glory Ministry". This is an attempt to assist local congregations in providing them roofing materials. For each congregation \$5,000USD is the reasonable amount for this end.

Health care

We are so happy to witness the completion of the St. Lazarus United Methodist Hospital. We are done with windows and door frames, now the next step ahead of us is fixing tiles on the toilets and on the entire building. A sum amount of \$6,387USD is budgeted for this work.

Scholarship

With generous support from First Sebring Church we were able to send this year an orphan, Esther Aloyce Shigi, for training to be a Nurse at Sunrays Open School in Bunda. Esther is doing very well on her studies and now she is doing her field attachment for two months. She is so thankful to your kind support. Indeed generosity changes lives. Esther she is a Roman Catholic but our love and care goes step further than any denominational boundaries. Glory be to God!

Move towards sustainability

We are doing our best to increase the possibility of being sustainable. For this we are engaged in food production, soap making and other initiatives. A sum amount of \$500 per month can be a good foundation to increase our ability and desire towards sustainable projects. Below pictures witnessing various activities and food production

Prayer Request: Please consider praying for:

- ⇒ God's providance in children sponsorship
- ⇒ God's providance for ongoing activities and staff salaries at our Mission Center.

Looking forward to be in mission together!

Be always a blessing to many as you changes lives through your generosity!

God bless you richly!
